

MULTIKEEN® KlinsALL

Acidic Tile & Grout Cleaner

Multipurpose Tile & Stone Cleaning Product

Product Code:M-1802

PRODUCT DESCRIPTION:

KlinsAll Acidic Tile & Grout Cleaner is a highly effective cleaner designed for everyday maintenance of tiles, natural stones and marbles etc. The product is suitable as a general purpose cleaner and safe and less reactive (compared to other cleaners). Product is ideally suited for maintenance of heavily trafficked areas such as shopping malls, hotels, hospitals, show rooms etc.

FEATURES:

- Suitable for daily use
- Multipurpose cleaner
- Effective against deposited scales
- Mild enough to use on stones / porous tiles when diluted

USES:

KlinsAll Acidic Tile & Grout Cleaner is used for cleaning homes, schools, offices, businesses and factories. It is designed for use in all types of commercial, industrial and residential settings; and in particular, cleaner for floors, bathrooms, kitchens, machinery, equipment, tanks, and pipelines.

DILUTION WITH WATER AND COVERAGE:

With one Kg to perform a single coat:

MULTIKEEN® KlinsALL

Acidic Tile & Grout Cleaner

Multipurpose Tile & Stone Cleaning Product

Product Code:M-1802

Terracotta 1:5 = 100-200 ft²
Porcelain 1:5 = 400 ft²
Natural stone 1:5 = 200-350 ft²

APPLICATION DATA:

Always test before use

Dilution with water at 1:5 to 1:10 depending on the amount of dirt to be removed.

Application: Wet the surface before applying the product. Spread the diluted product with a scrubbing machine, floor cleaning machine, or rag and leave to act for a few minutes. Clean using a single disc professional cleaner fitted with the most appropriate disc, or a floor cleaning brush. Vacuum or wipe up residue. Rinse with plenty of clean water.

STORAGE:

Store in dry, frost-free conditions at moderate temperatures not greater than 25 °C.

WARRANTY

Multichem warrants **KlinsAll** products to be free from manufacturing defects as defined in this warranty. Manufacturing defects are considered to be those defects that occur due to the quality of the ingredients or from the manufacturing process itself. This warranty does not include labor costs and other costs or expenses associated with the removal or installation of **KlinsAll** products.

Because the Multichem does not perform the actual installation, it cannot be held responsible for the results of the application. Multichem specifically disclaims problems that occur due to weather conditions, structural movement, structural design flaws and application techniques.

This warranty is in lieu of all other warranties expressed or implied including the warranty of merchantability and fitness of purpose and of all other obligations or liabilities on Multichem part. Multichem neither assumes nor authorizes any person to assume for Multichem any liability in connection with the sale and installation of **KlinsAll** products.

Because of constant improvement of manufacturing techniques and formulations, Company reserves rights to change this datasheet and its contents without prior notice.
